

911

Warning

911 service is available when using your Cloud-Based Phone Service from the initially registered service address. If your Cloud Phone device is moved to a new service address, 911 will be available, but the initial service address will be displayed for emergency personnel. Please contact Nex-Tech to change your registered service address if necessary. Also, if you experience a loss of power or Internet service, Cloud-Based Phone Service will not be available.
