

Nex-Tech TV NOW

INSTALLATION GUIDE • LG SMART TV

Compatible with 2019 and newer LG Smart Tv's running Web OS 5.0 or newer.

How to add the Nex-Tech TV Now app from your device

1. You will need an LG account. If you do not have one, create one when adding the app. (us.lgaccount.com)
2. If you are not currently a Nex-Tech customer, call Nex-Tech at 877-625-7872 or visit your local store to sign up and receive your username and password. If you are already a customer and would like to add TV Now automatically, visit my.nex-tech.com. Sign in or create a login, then add the TV Now packages you'd like to subscribe to. Utilize the same username and password you entered to sign in.
3. Click the home button on your remote
4. Search for **Nex-Tech TV**
5. Navigate up to the search icon. Click in the box and type Nex-Tech TV Now.
6. Select the **Nex-Tech TV Now** app in the apps category.
7. Install the app.
8. Once installed, launch the app from the bottom row of the home screen.
9. Enter the username and password you were given from Nex-Tech or that you utilized to sign in to the Nex-Tech Customer Portal.

To learn more about your LG Smart TV or setup, visit <https://us.lgappstv.com> and search for "Nex-Tech" or call the Help Desk at 888-565-3200.
